

# ‘Standing Out’ 2023/24

## A programme of conference days for primary leaders and their wider teams.

Following the success of the 2022/23 conferences, Outwood Grange Academies Trust are pleased to announce their 2023/24 programme. The series of 6 conference days across the school year are designed to bring leaders together to discuss, share and be inspired by the very best practice in a number of key areas.

Each conference is designed and facilitated by a member of the Trust’s primary school improvement team. The programme for each day showcases practice as well as involving key notes from inspirational speakers and practitioners.

The suite of conference days enables school leaders to facilitate a connected CPD experience for a number of different leaders within their school. Attendance can be purchased at individual events or as a package across the 6 areas.

The 2023/24 conferences will take place at the Outwood Institute of Education, Doncaster:

<b>Stand Out Maths</b>	Monday 6 November 2023	9am - 4pm
<b>Stand Out Primary Leadership</b>	Wednesday 20 December 2023	9am - 4pm
